

Snow adventure for the whole family

The Feuerkogel, Upper Austria’s sunniest high plateau, invites you to enjoy an unforgettable snow experience in the heart of the Salzkammergut with modern cable car and lift facilities, family-friendly pistes and a fantastic 360-degree panoramic view of the Dachstein and the lake region, cosy huts and many sports facilities!

For leisure-focused winter sports enthusiasts, beginners and families, the small ski circus on the high plateau with perfectly groomed pistes and a snowmaking system guarantees safe snow and skiing fun.

The silence of the Feuerkogel high plateau and endless kilometres of untouched white splendour in front of you: snowshoeing and ski touring.

For an all-round perfect experience, we also pay attention to the issue of sustainability. In addition to e-charging stations, all lift systems are supplied with electricity from renewable energy sources! Sustainable, naturally!

The Feuerkogel is an area of the „Bergbahnen Dachstein Salzkammergut“. This umbrella brand now includes all locations of OÖ Seilbahnholding GmbH with Dachstein West Gosau, Feuerkogel Ebensee, Grünberg Gmunden and Dachstein Krippenstein Obertraun as well as Bergbahnen Dachstein West GmbH with Russbach and Annaberg.
